

LOVING CHRIST. LOVING ONE ANOTHER. LOVING THE CITY.

March 27, 2020

This Sunday we will have a new “look” to our digital worship service. We are all having to adapt to the changing circumstances of the COVID-19 season, and our Sunday service will be adapting as well.

This week you will see a change from the previous two Sundays. This Sunday’s worship service will be presented using pre-recorded musical elements from our sanctuary combined with elements presented remotely from the “home studios” of each leader.

The service will continue to be posted at 11:00 Sunday morning on [fpcsanantonio.org/media](https://fpcsanantonio.org/media). We are rapidly expanding our capabilities and are working hard to present a service that gives honor and glory to Christ, connects our community and continues FPC’s pursuit of excellence. Thanks be to God for giving us the resources and the spirit to adapt to new challenges as they arise. Please keep our staff and their families in your prayers even as you continue to reach out to and pray for our covenant partners.

Grace and Peace,  
Bob Fuller  
Sr. Pastor
