CHURCH OF SAN ANTONIO

LOVING CHRIST. LOVING ONE ANOTHER. LOVING THE CITY.

The Church Life App for your iPhone or Android device has been discontinued. If you already had it downloaded to your phone, you can continue to use it. However, the app is no longer available in any app store. The company responsible for our Church Life Directory has moved to a fully web-based platform instead. Follow the instructions below on your mobile device or computer to connect to the new Church Life Online Directory.
